Lima, 14 de enero del 2026

CONSIDERANDO:

Que, el artículo 32 del Texto Único Ordenado de la Ley de Tributación Municipal, aprobado por Decreto Supremo N° 156-2004-EF, establece que la base imponible del Impuesto al Patrimonio Vehicular está constituida por el valor original de adquisición, importación o de ingreso al patrimonio, el que en ningún caso será menor a la tabla referencial que anualmente debe aprobar el Ministerio de Economía y Finanzas, considerando un valor de ajuste por antigüedad del vehículo;

Que, resulta necesario establecer la Tabla de Valores Referenciales de Vehículos a fin de determinar la base imponible para la aplicación del Impuesto al Patrimonio Vehicular, correspondiente al ejercicio 2026;

Que, para la determinación de los valores referenciales de los modelos y marcas de vehículos a considerarse en la Tabla a que se hace referencia en el considerando anterior, se ha evaluado la información remitida por el Servicio de Administración Tributaria (SAT) de la Municipalidad Metropolitana de Lima, así como la información especializada del parque automotor en nuestro país;

De conformidad con lo establecido en el artículo 32 del Texto Único Ordenado de la Ley de Tributación Municipal, aprobado por Decreto Supremo N° 156-2004-EF;
